Bora Astro Pair of Carbon Frames on ShadeArt Pedestal Bases

Bora Astro Carbon Frame on Custom Pedestal Base

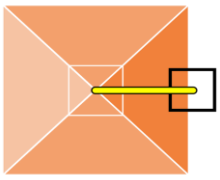

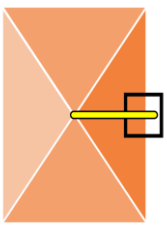

Bora Astro - Side Post Parasols Ex-Factory UK - Trade Prices V1 2026

Bora Astro–cantilever parasols offer unparalleled flexibility–maximum coverage from a small footprint. All retract into a single, compact vertical format when not in use. The lightweight design makes seasonal storage removal easy. A unique gas spring assist makes them easy to open and close in a single, straightforward sliding motion. The Astro has excellent wind stability and is now available with optional heat and lighting. Canopies use premium European acrylics.

Example: SHADEmakers Installation. We assist or provide a turn-key installation

At SHADEmakers UK, we're proud of our sales and aftercare service. Our team supports you long after your first purchase. We still provide spare parts and canopies for parasols bought from us more than 20 years ago. Our UK team can also service, repair, and refurbish any product we sell. See what our clients have to say about us below.
