Bora Inclinare - Side Post Parasols Ex-Factory UK - Trade Prices V1 2026

Bora Inclinare - Tilting cantilever parasols offer unparalleled flexibility, thanks to their inclination system. This superior cantilever umbrella is the perfect choice for outdoor living and entertaining in both residential and commercial environments. The Inclinare combines flexible tilting adjustment and 360° rotation, allowing you to tune the shade as the sun moves throughout the day. Enjoy maximum coverage from a small footprint, as all canopies retract into a single compact vertical format when not in use. The canopies are crafted from premium European acrylics.
