

Terrafirma Grand by ShadeArt

An especially elegant, strong, durable, and larger side post parasol from either natural timbers and stainless or all stainless.

Designed and manufactured in the United Kingdom by [ShadeArt](#), the commercial range of [Terrafirma Grand](#) side post (cantilevered) parasols and umbrellas, meet the highest quality and style standards and are suitable for both residential and commercial installations.

The unique fusion of laminated timber and aluminium core masts with stainless steel booms or all stainless mast and booms, makes for a beautiful and highly functional piece of outdoor furniture. [Terrafirma Grand](#) parasols and umbrellas can provide year-round shade and rain protection as well as adding colour and design flair.

This is a heavy-duty parasol with a large mast (141mm by 141mm) which allows for larger canopy sizes - **Square to 4 metres, Rectangle to 4.3 metres x 3.8 metres and Octagonal to 5 metres** - provide large areas of unfettered cover. Available in a wide selection of colours, sizes, shapes, and canopy styles, with optional heating, light, sound, and branding, the [Terrafirma Grand](#) can be installed either permanently or to a large pedestal base.

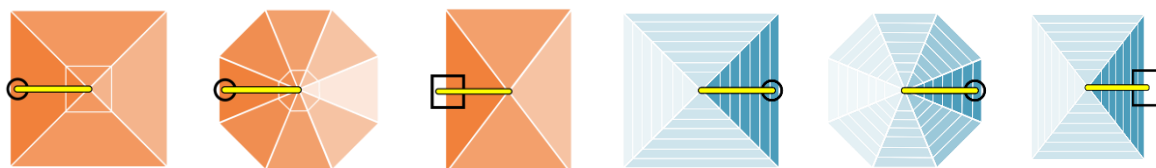

Easy for the customer to assemble and operate, requiring minimal maintenance and especially durable. With proper care and maintenance, this beautiful parasol will outlast any similar umbrella available on the world market today.

Links to other side post parasol options manufactured in the UK by [ShadeArt](#):

Terrafirma Grand - Features

- **Sizes** – up to **4 metre Square**, **4.5 x 3.38 metre Rectangle** and **5 metre Octagonal**.
- **Shapes** – Square, Rectangle and Octagonal.
- **Canopy Styles** – choice of plain (with or without a valance) or louver panelled, and wind vented options plus linking gutters for multiple parasols.
- **Colours** – 12 standard plus >70 optional – see fabric download for detail.
- **Ease of assembly** – takes about 10 to 15 minutes to bolt the mast to a pre-installed ground anchor or pedestal base, then attach the boom & wigwam.
- **Easy to operate** – a bespoke stainless gearbox with internal cabling makes for easy opening and closing of the canopy.
- **Safety** – the **ShadeArt** gearbox has a removable handle and safety pin to prevent unwanted tampering.
- **Sun & Rain protection** – high levels of protection from harmful UV rays and ShadeArt canopies are also highly water resistant.
- **Fabric quality** – premium quality solution dyed European acrylic canvas is guaranteed to retain 80% or more original colour for a minimum of 5 years.
- **Corrosion resistant** – durable laminated timber and aluminium, or all stainless masts and booms with marine aluminium wigwams.
- **Easily stowed** – in high winds or for winter storage, simply lower the wigwam, fold, and strap the canopy and undo bolts to detach.
- **Optional 360° rotation** – to tune the shade throughout the day.
- **Optional Branding** – email your artwork and we will arrange your canopy or valance logo during manufacture.
- **Optional Heat, Light and Sound**
- **Permanent or portable** – **ShadeArt** parasols can be bolted to ground anchors or pedestal bases. We can also customise most solutions.
- **Spare parts and canopies** – always available **SHADEmakers UK** are still servicing parasols we sold 18 years ago.

At SHADEmakers UK, we take considerable pride in our sales and after care service. We strive to provide clients with ongoing service long after their purchase. We are still supplying clients with spares and tailoring canopies for parasols we sold 18 years ago. Our UK team are capable of servicing, repairing, and refurbishing anything we sell. Try us.
