Terrafirma Single - Ex Factory UK - Trade Prices 2026 V1

The Terrafirma Single-Side Post Parasol is a symbol of durability. It combines a Satin Marine stainless steel boot, elbow, and boom with a high-strength alloy core and a laminated English handcrafted mast made from African Sapele (Mahogany) or other timber options. Each is handmade in the UK to a beautiful furniture-grade finish. Depending on size and application, the Marine anodised spokes are assembled with robust stainless, alloy, or GFP hubs. The easy-to-open stainless winch includes a safety locking feature for peace of mind. Fixed and optional rotating masts are available. The parasol is extremely wind-resistant and robust. Each is made in England with love.
