

Harmattan (Centre Post)

A classic, commercial, and residential, wooden parasol from renewable and sustainable bamboo.

To complete our range, we offer **Harmattan C** our classic, wooden parasol or umbrella made from premium moss bamboo and stainless steel - one of the strongest and most durable wooden umbrellas on the market. The masts or poles are made from a single piece of bamboo which is lacquered for additional durability, the hub is turned bamboo and all fittings are stainless steel.

Harmattan C canopies are made from spun acrylic with a choice of 12 colours or can be customized from **ShadeArt Premium Acrylics** all from solution dyed European canvas with a choice of over 80 colours. Available in a selection of sizes and shapes.

Harmattan C can be on a free-standing pedestal base or it can be bolted to a deck or concrete spigot or attached to our new hinge lid bayonet anchor which allows for easy removal and stowing.

If you prefer **aluminium, stainless steel, laminated timber, or carbon fibre**, please see other options by **ShadeArt:**

- **Alterra C** lightweight and strong, marine anodised with > 80 fabric canopies.
- **Nautica Marine Centre** premium with 316 hand polished or satin stainless steel and >80 fabric canopies.
- **Storm C Portable** smaller sizes for daily set up on pedestal or ground anchor bases and tension membrane canopies.
- **Storm C** wind gust rating to 70 mph/112kph with tension membrane canopies

Harmattan 3x3 Square and 3.0 Octagonal (with valance) on pedestal bases
