

Terrafirma Grand Quad by ShadeArt

An especially elegant, strong, durable, and large side post parasol with four canopies from one mast of natural timbers and stainless, or all stainless.

Designed and manufactured in the United Kingdom by ShadeArt, [Terrafirma Grand Quad](#) side post parasols or umbrellas, meet the highest quality and style standards and are suitable for both residential and commercial installations. The unique fusion of laminated timber and aluminium masts with stainless steel booms or all stainless mast and booms, makes for an especially elegant, strong, and durable piece of highly functional outdoor furniture. [Terrafirma Grand Quad](#) parasols and umbrellas can provide year-round shade and rain protection as well as adding colour and design flair.

[Terrafirma Grand Quad](#) - is a Heavy-Duty parasol with a large central mast (Timber/Aluminium or all Stainless 141x141) supporting 4 canopies at once from their heavy-duty stainless booms - providing **25m² to 64m²** of cover from one parasol.

Available in a wide selection of colours, sizes, shapes, and canopy styles, with optional heating, light, sound, and branding, the [Terrafirma Grand Quad](#) can be installed either permanently or to a pedestal base.

Easy for the customer to assemble and operate, requiring minimal maintenance and especially durable. With proper care and maintenance, this beautiful parasol will outlast any similar umbrella available on the world market today.
