Albatros Giant Commercial Parasols - Ex Factory UK - Trade Prices 2026 V1

Introducing the **Giant Albatros** - Commercial Centre Post Parasol, engineered in Germany by MAY. **Sizes range from 3.0 to 10 metres**. Crafted with high-strength polyester powder-coated alloys, a robust **100mm Ø mast with 5mm wall**, and **steel-reinforced Spokes 50x25 & Support Struts 40x25 with stainless fittings**. The tensioned spokes keep the canopy taut, while the removable hand crank with bevel gears makes opening and closing the canopy a breeze. The telescopic system allows for most sizes to close over tables. Canopies are tailored from **premium European solution-dyed acrylic—Albatros**, the premium shading solution that values your comfort and style.

Some SHADEmakers UK Installations - Full service turnkey - assisted or support

"At SHADEmakers UK, we take great pride in our sales and aftercare service. We are committed to providing ongoing service to our clients long after their purchase. For instance, we still provide clients with spare parts and custom canopy tailoring for parasols that were purchased from over 20 years ago. Our UK team can service, repair, and refurbish any product we sell. Give us a try."
